Calgary, AB T2R 0A8

Attention: Sheri Young, Secretary of the Board

Dear Ms. Young,

**Re: Enbridge Pipelines Inc. (“Enbridge”)
Joint Application Pursuant to Paragraphs 74(1)(a) and (b) and Subsection 21(1) of
the *National Energy Board Act* for the Sale and Purchase of Line 10 from
Enbridge to Westover Express Pipeline Limited (“Westover Express”)**

Enclosed for filing with the National Energy Board (“NEB” or “Board”), please find a joint application by Enbridge and Westover Express, pursuant to paragraph 74(1)(a) and (b) and subsection 21(1) of the *National Energy Board Act* for the sale and purchase of Line 10 from Enbridge to Westover Express, a wholly-owned subsidiary of United Refining Company (“United”).

The Line 10 pipeline consists of 143 km of 12” and 20” pipe that transports crude oil from Enbridge’s terminal in Westover, Ontario to United’s Kiantone Pipeline in West Seneca, New York. The Canadian portion of Line 10, which is the subject of this application, is approximately 105.41 km in length within Ontario, crosses under the Niagara River and terminates at the international border. The assets included in the sale of Line 10 include the mainline pipe, the mainline pump station at Westover, the sectionalizing valves along the pipeline, the sending and receiving traps, and pipeline instrumentation.

If the Board requires additional information with respect to this filing, please contact Jesse Ho, Senior Regulatory Advisor at 403-767-4581 or jesse.ho@enbridge.com.

Sincerely,

Margery Fowke
Associate General Counsel

Attention: Sheri Young, Secretary of the Board

Dear Ms. Young,

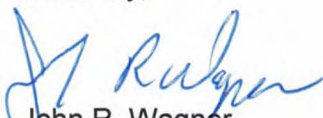

**Re: Enbridge Pipelines Inc. ("Enbridge")
Joint Application Pursuant to Paragraphs 74(1)(a) and (b) and Subsection
21(1) of the *National Energy Board Act* for the Sale and Purchase of Line 10
from Enbridge to Westover Express Pipeline Limited ("Westover Express")**

Enclosed for filing with the National Energy Board ("NEB" or "Board"), please find a joint application by Enbridge and Westover Express, pursuant to paragraph 74(1)(a) and (b) and subsection 21(1) of the *National Energy Board Act* for the sale and purchase of Line 10 from Enbridge to Westover Express, a wholly-owned subsidiary of United Refining Company ("United").

The Line 10 pipeline consists of 143 km of 12" and 20" pipe that transports crude oil from Enbridge's terminal in Westover, Ontario to United's Kiantone Pipeline in West Seneca, New York. The Canadian portion of Line 10, which is the subject of this application, is approximately 105.41 km in length within Ontario, crosses under the Niagara River and terminates at the international border. The assets included in the sale of Line 10 include the mainline pipe, the mainline pump station at Westover, the sectionalizing valves along the pipeline, the sending and receiving traps, and pipeline instrumentation.

If the Board requires additional information with respect to this filing, please contact John R. Wagner, Director, 814-726-4685 or jrwagner@urc.com.

Sincerely,

John R. Wagner
Director
